

A modern conference room with large windows and a blue tint. The room features a long table, several chairs, and a laptop on the table. The windows offer a view of a cityscape. The text "WHERE" is centered in the image.

WHERE

WHERE

SQL

```
SELECT * FROM employees;
```

WHERE

SQL

```
SELECT column_1, column_2,... column_n  
FROM table_name;
```

WHERE

- the WHERE clause

WHERE

- the WHERE clause

it will allow us to set a condition upon which we will specify what part of the data we want to retrieve from the database

WHERE

- the WHERE clause

it will allow us to set a condition upon which we will specify what part of the data we want to retrieve from the database

SQL

```
SELECT column_1, column_2,... column_n  
FROM table_name;
```

WHERE

- the WHERE clause

it will allow us to set a condition upon which we will specify what part of the data we want to retrieve from the database

SQL

```
SELECT column_1, column_2,... column_n  
FROM table_name  
WHERE condition;
```
